Union Stewards have the power to energize and mobilize, and are the source of our union's strength. **Union Stewards** have the power to help workers and can demand supervisors treat workers fairly. **Union Stewards** can investigate unfair practices and are equal in status to any supervisor they deal with on these issues.

If you want to self nominate, download the form from www.voteyesiam.com/cadence or contact Lori Dorsey via E-mail lorld@iam751.org or phone (425) 355-8821
